(Remarks)

यद्यपि सारे भारशवर्ष में पंजीयन का प्रकःघ है, पि.र भी कई सूचनाएं पंजीयक का नहीं दी जाती । इस कारण पंजीयन का विवरण अपूर्ण रह जाता है। इसके अतिरिक्त पंजीयकों से राज्य सरकारों के मुख्यालयों को विवरण भेजने की व्यवस्था भी बहुत असंतीयजनक है जिसके कारण पंजित घटनाओं का बड़ा अंश रह जाता है। इनको पूर्ण करने के लिए और विवरण भेजने की व्यवस्था को सुदृढ़ करने के लिए प्रयत्न किए जारहे हैं।

[While arrangements for the registration of births and deaths exist in n.o.t parts of the country, a large proportion of births and deaths fails to be reported to the Registrars. Ihr registration of births and deaths is, thus, incomplete. Further, arrangements for the tian6mission of returns from the Registrars to the State Headquarters are far from satisfactory with the result that a large proportion of events, although registered, are missed at the time of compilation. Effoits are being made to improve the complete, ct.s and ensure efficiency in the transmission of returns.
